

**BIG BOUNDER BARIATRIC POWER WHEELCHAIRS**  
**BIG BOUNDER H-Frame:**  
**Available for users up to 1000 lbs. with upgrades**

**BIG BOUNDER H-Frame** power chairs are configured specifically for bariatric users. They are custom built to each user's unique dimensions. The electronics and drive train are optimized at the factory for the user. Available in seat widths from 21" to 48". Very narrow overall widths (as little as 2.5" wider than the seat width) result in improved maneuverability through doors and tight spaces.

- » 500 lb capacity is standard
- » 700 lb and 1000 lb weight capacity options

**STANDARD FEATURES**

- » Durable H-style frame uses 2.5" x 1.5" x 0.125" wall steel - TIG welded for superior strength
- » 0.120" wall steel seat rails and back posts - for extra strong seat and back
- » Super Torque 3 motors and brakes
- » Quiet non-slip chain drive - won't slip in rain or snow; similar to those used on many motorcycles
- » Sliding dual group 27 battery box - for extended range and ease of maintenance
- » Xtra Duty 12 position adjustable suspension forks - with oversized 1" diameter bearings and fork stems
- » Sheet metal pan seat
- » Super Duty sling back upholstery - double liner, cap, and web strap under every screw; attached with machine screws
- » Detachable desk length arms
- » Anti-tipping wheelie wheels
- » UE1 Series electronics - 6 drive programs, battery condition meter, diagnostics, and more
- » Smart electric brake release - for easy pushing by an attendant
- » 9" x 3.50" steel caster wheels - excellent on most surfaces including grass and dirt roads
- » 12.75" x 4.00" steel drive wheels - available with smooth or knobby treads
- » Safety taillights built in - turn on and off with chair power (turn on and off with light switch if headlight ordered)
- » Very stable rear wheel drive - does not fishtail at high speeds unlike front and mid-wheel drives
- » Durable black powder coated frame
- » Fully automatic 8A dual mode battery charger - charges both gel-cell and lead acid batteries
- » Detailed Owner's Manual
- » Easy to service and maintain
